CAREER GOALS

Currently studying Full-stack development to build a solid technical foundation. Seeking an opportunity as a Frontend Intern to apply HTML, CSS, JavaScript, and React skills in real projects while continuing to improve and grow into a Full-stack Developer.

TECHNICAL SKILLS

- **HTML, CSS:** responsive layout, Flexbox & Grid, CSS animation
- **JavaScript:** DOM manipulation, ES6+ (arrow function, destructuring), axios
- **TypeScript:** basic knowledge of TypeScript, interface for basic styling
- **ReactJS:** props, state, Routing (React Router), call API
- **Basic Git/GitHub:** branch, pull, merge
- **Deployment:** Vercel, Git
- **Tools used:** Git, Chrome DevTools, Figma, VS Code

EDUCATION

**Full-stack Developer course – CyberSoft
Programming Training Center**
(11/2025 – 4/2026)

- Learning roadmap HTML, CSS, JavaScript, React, Typescript, NextJS, MySQL, ExpressJS, Prisma, NestJS, DOCKER

Can Tho university - Vietnamese Studies
(09/2015 – 09/2019)

- GPA: 3.34/4

PROJECTS IN PROGRESS

- **Personal Portfolio Website** – HTML, CSS, JavaScript (in progress)
- **Todo App (CRUD)** – React, GitHub, Vercel (upcoming)
